THE TRUST AND THE COLLEGE

S.N.R. Sons Charitable Trust was founded on 09.02.1970 in order to fulfil the dreams of Sri. S. N. Rangasamy Naidu, a great philanthropist and a man of vision. He was an ardent devotee of Sri Ramakrishna Paramahansa and his interest in man was as compelling as in God. He wanted to dispel ignorance and eradicate disease especially from the poor, by providing them with education and medical relief.

The four sons of this great humanist who founded the trust set themselves to the task of realizing their beloved father's ambition and had a humble beginning by establishing Sri Ramakrishna Kalyana Mandapam, a Community Hall meant for religious discourses, seminars, conferences and other intellectual activities. Owing to their indefatigable industry and unflagging ardour, now the trust owns the following institutions:

SRI RAMAKRISHNA KALYANA MANDAPAM – Community Hall
SRI RAMAKRISHNA HOSPITAL – a 700 bedded hospital
SRI RAMAKRISHNA MATRICULATION SCHOOL
SRI RAMAKRISHNA INSTITUTE OF PARAMEDICAL SCIENCES

SRI RAMAKRISHNA VRIDHASRAMAM
SRI RAMAKRISHNA INSTITUTE OF TECHNOLOGY, Pachapalayam
S. N. R. SONS COLLEGE
SRI RAMAKRISHNA DENTAL COLLEGE & HOSPITAL

The Trustees who have whole heartedly committed themselves to the great cause of service to mankind, toil so hard that the institutions have grown in all their splendour and grace. They provide the poor with remedies against even the gravest physical and mental illnesses. It is their humble desire to make available to the community at large the benefits of the astonishing advances made in Medical Science. They summon up all their resources, ponder, plan and face the challenges of future education diligently and boldly. As a step towards that goal, they have preferred to offer the following courses in Sri Ramakrishna Dental College & Hospital
