

PUBLICATIONS - DEPARTMENT OF CONSERVATIVE DENTISTRY AND ENDODONTICS

- Bonding agent is a decisive factor in determining the marginal leakage of dental composites subjected to thermal cycling: an in vitro study, Journal of Oral Rehabilitation. 28, 2001
- Odontoclasia – a case report – An official publication of IDA Punjab State - Vol. 2, No.2, July – December, 2006
- Single visit endodontics – revisited, JIDAT-Vol.2, 2010
- Evaluation Of Safety And Efficacy Of Hiora K Mouthwash In The Treatment Of Dentin Hypersensitivity, An Open Clinical Study, The Antiseptic . 605-609, 2010
- Comparative Evaluation Of Surface Changes In Four Ni-Ti Instruments With Successive Uses – an SEM study Journal of Conservative Dentistry. Vol. 14, Page No: 282-286, 2011
- Dissolution of separated instruments – a pilot study, JIADS RES.Vol.1, April – June 2012 P.No. 6-9
- Replantation of avulsed teeth, JIADS RES.Vol.1, April – June 2012 P.No. 31-33
- Successful endodontic management of hypo, meso and hypertaurodontism: Two case reports. Contemporary clinical dentistry 3 (Suppl 2), S253
- Spiral computed tomographic evaluation and endodontic management of maxillary canine two canals, Journal of Conservative Dentistry and Endodontics, May – June 2013 Vol.16, issue 3, Page No: 272 -276
- Efficacy Of Peracetic Acid In Rapid Disinfection Of Resilon And GP Cones Compared With Sodium Hypochlorite, Chlorhexidine And Povidone Iodine, Journal of Endodontics Vol: 39, Number 10, October 2013
- Crown reattachment: a conservative treatment protocol for coronal fractures. Ann Med2014;1:75-83
- Interference of apex locator, pulp tester and diathermy on pace maker function, Journal of Conservative Dentistry – Jan- Feb 2015 ,Vol 18, Issue 1 , Pg. No. 15-19
- Effect of varying concentrations of home bleaching agents on hardness of a resin composite: An in vitro study - Journal of Indian Academy of Dental Specialist Researchers
- Root Canal Morphology Of Permanent Mandibular Second Molar In A South Indian Population Using Computed Tomography, Conservative Dentistry and Endodontic Journal ,January-june 2016,pg.no.1-5
- Histological response of human pulps capped with calcium hydroxide and a self-etch adhesive containing an antibacterial component. Journal of conservative dentistry. Volume 19, issue 3, year 2016, pg 274-279
- Textbook of Operative Dentistry- Vimal K Sikri – Book Contributor Fourth edition 2016 – CBS Publications-978-81-239-2887-6

- An Overview of Remineralizing Agents- Revathi Palanisami, Anirudhan Subha, Prabhakar V –Book LAP Lambert Academic Publishing, 2018 ISBN-978-613-9-93189-7
- Comparative Evaluation of Antimicrobial Efficacy of Neem and Ginger, TO prove its effectiveness in decontaminating “Gutta Percha Cones”- An in vitro study International Journal of Contemporary Research and Review ISSN 0976 -4852 January, 2018, Volume 09, Issue 01
- To Evaluate the Effectiveness of tagetes erecta and 5.25% sodium hypochlorite at different time intervals against enterococcus faecalis contaminated root canals – An in vitro study . International Journal of Current Research Vol. 10, Issue, 03, pp.66509-66511, March, 2018
- Effect of Preoperative Corticosteroids in Patients with Symptomatic Pulpitis on Postoperative Pain after Single-visit Root Canal Treatment: A Systematic Review and Meta-analysis. Journal of Endodontics 2018- Volume 44, Issue 9, Pages 1347–1354
- Effect of non Alcoholic Mouthwash on Hardness of Glass Ionomer Cement, Resin Modified Glass Ionomer Cement and Composite Resin-an Invitro Study. Int J Recent Sci Res. 9(9), pp. 28887-28891
- Comparative evaluation of colour stability of three different composite resins in a mouth rinse- An invitro study-Journal Of Conservative Dentistry J Conserv Dent 2019; 22:175-80
- Antimicrobial Efficacy of Aloe vera, Lemon, Ricinus communis and Calcium Hydroxide as Intracanal Medicament Against Enterococcus faecalis: A Conofocal Microscopic Study. J Pharm Bioall Sci 2019;11:S256-9
- Surface finish of nanofilled composites with Identoflex, Shofu and Blaze aesthetic polishing kits- A surface roughness analysis- International Journal of Medical Sciences and Current Research. Volume2, Issue 2, Page No: 93-99 March-April 2019
- Evaluation of Fracture Resistance of Endodontically Treated teeth Restored With Nanohybrid Composite Using Bulk Fill Placement Techniques- An In Vitro Study. International Journal of Medical Sciences and Current Research. Volume2, Issue 5, Page No: 112-116 Sep-Oct 2019
- Accuracy of marginal adaptation of posterior fixed dental prosthesis made from digital impression technique: A systematic review. J Indian Prosthodont Soc 2020;20:123-30
- Nasal prosthesis with magnetically secured intranasal framework for a patient with partial rhinectomy and intra-oral defects: a case report. J Clin Transl Res 2020; 6(5):4
- Platelet-rich fibrin and collagen matrix for the regeneration of infected necrotic immature teeth. Journal of Clinical and Translational Research 2020; 6(1): 1-5
- Disease of Pulp and Periradicular Tissue: An Overview. *Journal of Current Medical Research and Opinion*.2020;11(10):652-664.
- Provisional Restoration: A Literature Review. IDA Lud J –le Dent 2021;5(1):28-40.
