Orientation / Foundation courses Program Report - 2019 -20

Every year a welcome program is conducted for the new I BDS students in the conference hall of SRDCH and is attended by the students along with their parents. This inaugural program is followed by an orientation program. The students are then taken around the campus and introduced to all departments by the concerned HODs. The students are oriented to the Code of conduct along with anti-ragging protocols. In the academic year 2019-20, newer protocols and workshops were designed to enhance the academic environment for the students and provide all possible corridors for achieving their zeal. The one week orientation schedule was followed in the described manner.

The I BDS students were introduced to the curriculum by Dr. Ilavenil PhD, followed by orientation to BDS program and graduate attributes by Dr. J. Dinakar MDS, the Principal and Dr. S. Gowri.MDS. Sensitization to NSS, RRC and YRC was conducted by Dr. Sri Hari MDS, Dr. Arun K Simon MDS, Dr. Gayathri MDS and Dr. Hari Bhaskar MDS.

The college aims for unity among the students and strives to avoid discrimination of all kinds and hence common uniform was provided to all students.

"Health for all" being the mission of the college added up to the advantage of freshers getting a health check up in Department of General medicine by Dr. Paramasivam MD.

Orientation to dental subjects was conducted by the HOD and senior lecturers of each department and "Basis to computing skills and use of internet in education and research" was introduced to students by Dr. Fayyaz Ahamed, MDS. Dr. Koshy Chitheresan, MDS, Dr. Vennila MDS, Dr. Ilavenil PhD and Dr. Priscilla Joys, MDS conducted an 'Ice breaking session' followed by presentation by Dr. Subha Anirudhan, MDS on "Study skills for professional students and learning techniques in BDS".

A brief mind-mapping workshop was held by Dr. Aparna Rahul MDS, Dr. Priscilla Joys MDS, Dr. Subha Anirudhan, MDS and 'Professionalism and ethics in dentistry' was conducted by Dr. Vennila MDS.

Dr. Ilavenil PhD presented the "Code of Conduct" and rules and regulations of students and sensitization on "GSCASH and Institutional Complaints Committee" made the students free from all forms of fear. Grievance Redressal committee sensitization was done by Dr. Suresh PhD. A session on "Institutional review board and use of internet" was conducted by Dr. Subha Anirudhan, MDS, Dr. Suresh, PhD, Dr. Priscilla Joys, MDS.

Identifying the student's hidden talents was held by Dr. Mani Sundar of SRH and orientation to clinical medicine was conducted by Dr. Nandakumar MD, SRH

The dental council norms for student's vaccination were followed. Anti ragging session by Dr. Minu Koshy, MDS and Dr. Munshi, MDS made the students feel friendly in the campus.

Introduction to library by Dr. Ambalavanan MDS and Dr. Vinithra Suresh, Msc took place. Dr. Vijayakumar, MDS, sensitized the students to OSCE/OSPE and its demonstration.

The orientation program was designed and conducted systematically, for the welfare and comfortness of the freshers.

Induction program for I year M.D.S.students.

PG induction programme for the MDS students joining the academic year 2019 was held on 09/05/2019 in conference hall, SRDCH.

Dr.D.Kandaswamy, MDS, Director and Professor of Conservative Dentistry, Sri Ramachandra University, Chennai was the chief guest. New batch of PGs were given handbooks and ID cards. All the HODs, committee heads, Administrative, service and maintenance staff was introduced to the new PGs. Dr. D. Kandaswamy and MDS gave a motivational talk for the students and emphasized the significance of Professional Ethics.

The students were then taken around the campus and the roles and responsibilities of PG student in each specialty were emphasized. The students were oriented to the Code of Conduct and the rules and regulations of SRDCH.
