Respected Sir,

Sri Ramakrishna Dental College and Hospital would like to protect its employees and students against Hepatitis B through preventive and prophylactic measures as a part of an immunization drive that is conducted every year. We request the following:

- 1) Permission to check the anti HBS –Ag titre for already immunized people from previous years (340). Since this kit is not available in the Sri Ramakrishna Hospital diagnostics, we would like to contact Micro Labs through your esteemed office and get it done at a fair and concessional rate. The persons who will undergo this test will pay these charges without fail.
- 2) Request Sri Ramakrishna Hospital to organize immunization day at Sri Ramakrishna Dental College and Hospital to vaccinate around 275 persons for Hepatitis B. The persons undergoing the vaccination shall pay for the vaccine. We request you to support this initiative for the welfare of the stake holders who are regularly exposed to the clinical environment.

Warm regards,

  
Director
