SPORTS CLUB

Nelson Mandela once said, "Sports has the power to change the world. It has the power to inspire. It speaks to youth in a language they understand. Sports can create hope where once there was only despair."

The Sports club of Sri Ramakrishna Dental College and Hospital is committed to provide a healthy sporting habit among the students. It helps to learn teamwork, coordination among diverse groups and mainly infuses discipline & instills the value system in one individual. Value of time, precision & competitiveness are the major learning points apart from communication, coordination & teamwork.

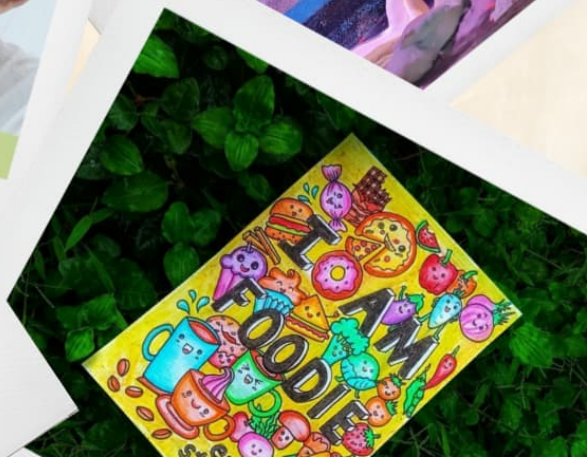

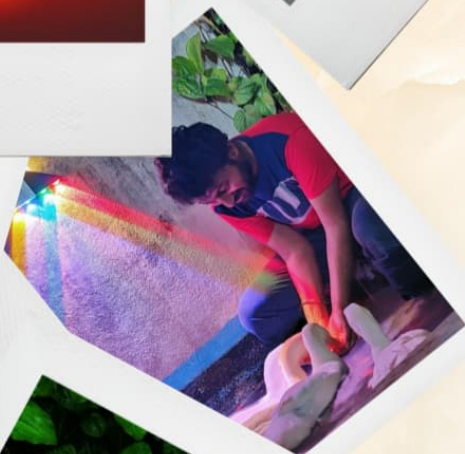

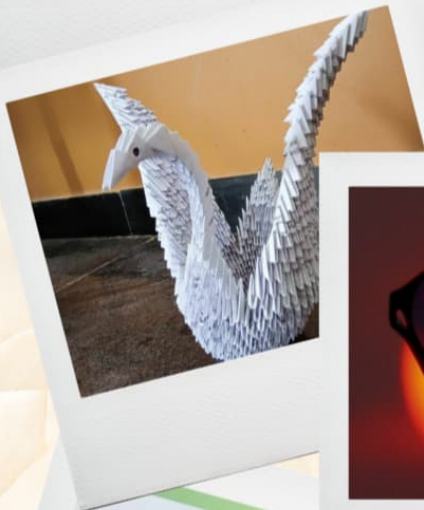

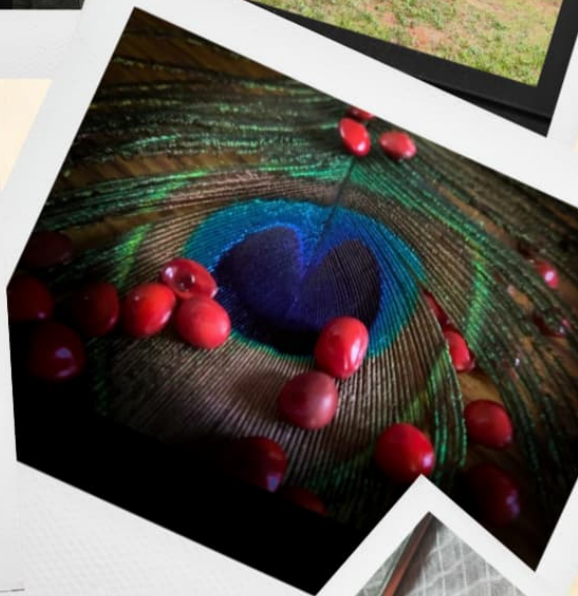

The sports club had taken the initiative to install an open badminton court in the college premises. Students were also encouraged to take part in indoor sports activities. An indoor sports room was opened in the college. Games such as carom, chess, table tennis and a few other board games were set up. The indoor sports room was accessible to students and faculty members from 4pm to 6pm daily.

Commemorating National Sports Day, the sports club conducted a week long inter college sports event CYNERGIA' 21. Sports events such as basketball, volleyball, throw ball, box cricket, carrom, chess and table tennis competitions were conducted for both boys and girls. Both students and staff participated with great enthusiasm.

FIESTA' 21

FIESTA '21

A CULTURAL EXTRAVAGANZA

'Life isn't about waiting for the storm to pass, it's about learning how to dance in the rain'
-Vivian Greene

The world is now on a bumpy journey to a new destination. With time our world will look very different and it is we who need to step forward to accept the difference. To bring back the old cheer and make post Covid college life a little more lively, the batch of 2016 had organized a cultural extravaganza - Fiesta '21. It was a weeklong event held from 7/7/21 - 12/7/21.

The art of writing is the art of discovering what you believe. To help the young minds in this discovery, a few competitions like poem writing, blog writing and tamil haikoo were conducted.

Art is freedom- the freedom of being able to bend things most people see as a straight line.

To enhance this creative freedom a number of events like 'Scribble your mind' (Doodle art), 'Stained hands' (Mehandi), 'Sculpt it' (Soap carving), painting, pencil sketching, hair-do and art from waste were conducted. The artists from various batches left us spell bound with their amazing creativity.

No cultural event is complete without some soulful music and dance performances. Solo and group singing and solo dance competitions were conducted. Apart from these events, photography competitions, meme competition, quiz were also conducted. All the events were judged by our beloved faculty members from various departments. The valedictory function was then held to felicitate the winners. Fiesta '21 was indeed an amazing opportunity to the young minds of SRDC to portray their talents.
