FACULTY DEVELOPMENT PROGRAM
ACADEMIC TEACHING LEARNING PRACTICE
BY DR. SUHASINI J. NAGDA
PROGRAMME REPORT

DATE: 12/03/2022

OCCASION: FACULTY DEVELOPMENT PROGRAM

TITLE: ACADEMIC TEACHING LEARNING PRACTICE

DURATION: From 1 PM to 4 PM

NUMBER OF PARTICIPANTS: TEACHING FACULTY - 41

HOW THEY ARE BENEFITED: Perspective and attitude change in adopt newer methods in teaching and learning

DETAILS:

The faculty development program was hosted at Sri Ramakrishna DCH V.L. College and Hospital. Dr. Suhasini J. Nagda had a wonderful interactive session with the teaching faculty on various topics. The topics discussed were ranging from newer teaching learning methodologies, attitude change needed in the teaching faculty, perspective change needed and ways to improve the interactions among the departments, importance of learning new skills etc. It was followed by an interactive session where faculty members had raised queries that were aptly answered by Dr. Suhasini. The program ended with a good talk given by Dr. Deshpande, principal. The participants were then requested to register their feedback.

To
Dr. L. Deepamohan,
Principal,
Dr. Rameshwar Dental College & Hospital,
Chennai - 600 095

Sir,

Re: Your request for allocation of CDE points for your CDE programme - Reg.

Ref: Your letter dated 04.05.22

With reference to your letter cited, it is informed that 03 CDE points are allotted to your programme.

CDE Programme - "NAYAKKAM ERUK" - The Indian Experience in DENTISTRY
& "STEADY - STEADY"

Date - 17th July 2022

You are requested to include the following information in the CDEP certificate to be issued to the participating Dentists.

1. TNDCC approval No. 267 / 22
2. TNDCC Regu. No. >
3. Credit points - 03

Kindly send a draft format of the CDEP Certificate incorporating the above particulars to this Office. You are requested to send the attendance particulars with (i) Registration Numbers and (ii) Signatures of Dentists of this Council to this Office within 2 weeks after conduct of the said CDE programme. In the attendance list, if the signature of any dentist is not present, the credit points will not be given to that dentist. Strict compliance to the above is mandatory to permit allocation of CDE credit points to future programmes conducted by you / your organization.

Yours faithfully,

DR. S. SUBRAMANIAN,
Member,
Tamil Nadu Dental Council

Lecture, Demonstration and Hands-on program on
"The art of Esthetic Restorations with Composites"

PROGRAMME REPORT

DATE: 24-05-2022

TITLE: The art of Esthetic Restorations with Composites

DURATION: FROM 1-05-2022, 08:00 AM TO 11:00 AM

NUMBER OF PARTICIPANTS: 20

The Lecture and Demonstration: 10 students, 10 Post-graduates and 1 staff

The Hands-on program: 10 students, 1 Post-graduate and 1 staff

HOW THEY ARE BENEFITED: Participants learn the handling and layering of composites and the use of composites for direct restorations.

DETAILS: The participants were educated about the basics of composite restorations and were introduced to the concept of layering of composite through interactive lectures and live demonstrations. The participants of the hands-on learning program individually performed layering of composites for the Class IV restorations and direct restorations under faculty supervision and guidance. This program has given them a clinical's preview towards the proper usage of direct composites restorative material.

7. The training provided will be incorporated in my practice in following way
For providing aesthetically superior composite restoration
Yes
Knowledge about proper technique
In daily practice
From interactive process
It helps to do a better composite restoration than before
Yes it is useful
In all composite restoration technique
Good

8. Suggestion for improvement of programme
No
More time
Hands on session that great. But the time was not great for the students.
Yes

PROGRAM REPORT

TOPIC: Basic Photography Course

Date: 25th-26th and 24th-25th, 2023

Time: 12 PM to 7 PM

Number of Facilitators: 3

Resource Person: Dr. Sujanya DV (Department of Odontology)

Dr. Anuradha Kumar (Department of Orthodontics)

Dr. Anubhavan (Department of Conservative and Endodontics)

Facilitator: Dr. Anuradha Kumar

Department/Committee: Program Developing Committee

OUTLINE OF THE COURSE

- Photography and Documentation
 - Importance of documentation
 - Why we have to document a case
 - Essential Diagnostic Photographs
 - Basic photographs
 - Intraoral- frontal, Right occlusion, Left Occlusion, Upper, Lower, Case Specific (Overjet, Restorations, Crown etc.)
 - Extraoral - Frontal, Frontal smile, 45-degree smile, Profile, Case Specific (Composite photography, Sulcus-to-vertebra etc.)
- Case Specific documentation
 - Restoration
 - Prosthodontics
- Accessories for Dental Photography
 - Camera

- Focus
- Importance of back-reaction, Composites, Mirror
- External (light, background, etc.)
- Camera settings and Uses
 - Aperture
 - Shutter speed
 - ISO
 - Focus point (Auto/Manual)
- Photo Photography
- Tips n Tricks
- Conclusion

Hands-on Demonstration

EVENT SUMMARY – BASICS OF PHOTOGRAPHY

A lecture and hands-on workshop on “BASICS OF PHOTOGRAPHY” was conducted by the Department of Ophthalmology, Sri Ramakrishna Dental College and Hospital on 17th/20th and 20th/2022. A general review of the program is summarized herewith. Most of the participants stated that the topic became clear after program objective and grateful the speaker to be a good expert. The majority of the participants stated that the content of the presentation was relevant and easy to understand and was useful for practical implications. The participants stated that the facilities/equipment/instruments provided in the program were good. The overall impression of the program was stated to be good by the majority of the participants. The participants stated that the training provided helped them learn proper photographic skills and proper image documentation in their clinical practice. When asked about the suggestion to improve the quality of the program in the future, participants stated that more hands-on practice duration is required.

RESEARCH WEBINAR REPORT

TOPIC: Applying for Research Grant

Date: 30.07.2022

Time: 9.00 am to 10.00 am

Number of Facilitators: 3

Resource Person: Dr. T.S. Gugapriya, M.S (Anatomy), Additional Professor, Department of Anatomy, AIIMS Nagpur

Facilitators: Dr. Subha Anirudhan, Dr. Aravinthraj Kumar Govindaraj, Dr. Ilavenil

Department/Committee: Research Committee

Content of the session:

1. Learning objectives

- To describe the guidelines for applying for research grants
- To list available research funding options

2. Teaching Learning Methodology Used

- Google slides presentation
- Slido for audience poll

3. Content of the lecture/PPT/workshop

- Importance of Research Grant
- Steps in writing Research Grant
- Prerequisites before application
- Different funding agencies for research in India
- Travel and conference grants
- Specific grants for dental research
- Question answer session

Participants' response to the session

The session was very interactive. The participants were very attentive during the "Applying our Research Work" presentation. There was an overwhelming response and active participation during the question-and-answer session. The entire session was recorded for future reference.

'Workshop and Hands-on program on Human Embryology' 2022

PROGRAMME REPORT

DATE: 17-07-2022

TITLE: Workshop and Hands-on program on Human Embryology

DURATION: From 14-07-2022 to 16-07-2022

NUMBER OF PARTICIPANTS: 30 students

HOW THEY ARE IDENTIFIED: The names were introduced to every individual(s)

OBJECTIVE: The participants were oriented about the names of professionals who were associated to the concept of embryology through interactive lectures, live demonstrations and hands-on training on wet and dry slides and animal model study. On the final day of the program, the participants independently performed four cadaveric dissections under video camera facilities, with a key academic intervention under the strict supervision and guidance of the faculty. The program has given them a clinician's perspective towards the proper usage of embryological facts.

Established in 1981, SVS Ramakrishna Dental College & Hospital is a premier dental institution in the South Indian region. It is a member of the Indian Dental Association (IDA) and the Indian Society of Endodontics (ISE).

WORKSHOP ON FULL MOUTH REHABILITATION

PROGRAMME INTENT

DATE: 27.09.2024 to 28.09.2024

VENUE: SVS

TITLE: WORKSHOP ON FULL MOUTH REHABILITATION - CLINICAL TREATMENT PROTOCOLS

DURATION: Time: 9:00 AM to 1:00 PM

ADDRESS: SVS RAMAKRISHNA DENTAL COLLEGE & HOSPITAL

HOW THEY ARE BENEFITED: This workshop will introduce them to the latest clinical treatment protocols and techniques for Full Mouth Rehabilitation.

SCOPE:

The Department of Periodontics of SVS Ramakrishna Dental College and Hospital organized a workshop on "Full Mouth Rehabilitation - Clinical Treatment Protocols" by Prof. Dr. Chetan Kumar, Professor and Head of the Department of Periodontics, A & B, Narayana Medical Institute of Dental Sciences, Bangalore. The program was beneficial to the PG students, private practitioners and faculty as it provided them with updated knowledge and clinical implementation of Full Mouth Rehabilitation protocols. This program will help them to improve their clinical skills and knowledge of the subject.

Curriculum enrichment program – Lasers

Batch 3

A demonstration and hands-on course on "LASERS and ELECTROCAUTERY" was conducted by Department of Periodontics, Sri Ramakrishna Dental College and Hospital. The course was conducted for various batches. The third batch students attended the course on 4/1/2022 from 12 noon. A general review of the programme is summarized herewith. All the faculties in the department actively participated to impart knowledge to the participants. Majority of the participants stated that the lecture and hands on program meet the program objective and graded the speaker to be good expertise. Majority of the participants stated that content of presentation was relevant and easy to understand and was useful for practical implication. The participants were greatly satisfied with the facilities and equipment's provided in the program. Overall impression about the program was stated to be excellent by majority of the participants. Participants stated that the program will help in their clinical practice and they will incorporate the knowledge gained in the course for treatment procedures like RCT irrigation and bleaching, crown lengthening, aesthetic tissue curing, surgical cases etc. Suggestions obtained from participants for further improvement of program was to have live clinical demonstration on patients.

Medisys software – Demonstration and hands on **PROGRAMME REPORT**

DEPARTMENT/COMMITTEE : Program Development Committee

TOPIC/TITLE: Medisys software – Demonstration and hands on

SPEAKER/PRESENTER: Team Medisys (online)

DATE: 27/07/2022 and 28/07/2022

TIME: 10.30 am-11.30 am

VENUE: Online

TARGET AUDIENCE: Teaching faculties

NUMBER OF PARTICIPANTS: 54

SUMMARY OF THE EVENT:

A faculty development program on the newly introduced Learning management system called MEDISYS was conducted by the team Medisys for two days. The program had an indepth demonstration of the various aspects of the software. Later a hands on was also facilitated that was found to be useful for the participating staffs. The team then conveyed to offer continuous support for the proper utilisation of the learning management system that will be highly beneficial for the students.

Faculty Development Program and Hands-on Workshop **REPORT**

TOPIC: Research tools- Reference Management Software

Date: 18.03.2022 and 22.03.2022

Number of Facilitators: 2

Facilitators: Dr. Subha Anirudhan, Dr. Aravinth Rajkumar

Department/Committee: Research Committee

Content of the session:

1. Learning objectives

- To create awareness about reference management software
- To demonstrate use of reference management software
- To help participants use these software in manuscript writing

2. Teaching Learning Methodology Used

- Lecture and Demonstration
- Hands-on exercise on installing and using Mendeley software and adding citations to the app
- Hands-on exercise on adding in text citations and reference list to word document using Mendeley plug in.

3. Content of the lecture/PPT/workshop

- Importance of referencing
- Uses of reference management software
- Adding citations to Mendeley
- Demonstration of different methods of adding citations to the Mendeley Desktop and Mendeley cloud
- Demonstration of adding in text citations and reference list in word document using Mendeley
- Hands on Exercise for the same

FACULTY DEVELOPMENT PROGRAM

Topic: Research tools- Reference Management Software.

Following up of literature sources to our field of research or from can be a daunting task. In addition, different journals have different citation styles that make the task of identifying what licensed by each journal a difficult task. This workshop aims to show how to use reference management software to access a lot of publications while writing manuscript.

Date: 18th and 22nd March 2023

Time : 02.00 pm to 04.00 pm

Duration : Two + 2 hrs

Participants are requested to bring their laptops.

The workshop will be conducted in 2 batches. The names list of the faculty to each batch will be sent later.

RESEARCH WEBINAR REPORT

TOPIC: How to write a manuscript for publication

Date: 30.09.2022

Time: 11.00 am to 12.00 pm

Number of Facilitators: 3

Resource Person: Dr. Poornima R, Senior Lecturer, Department of Periodontology

Facilitators: Dr. Subha Anirudhan, Dr. Aravinth Rajkumar, Dr. Koshy Chithresan

Department/Committee: Research Committee

Content of the session:

1. Learning objectives

- To demonstrate on how to write a research article pertaining to each type
- To brief about journal selection for publication of the prepared manuscripts

2. Teaching Learning Methodology Used

- PowerPoint Presentation

3. Content of the lecture/PPT/workshop

- Deciding upon the type of manuscript
- Choosing a target journal
- Attention to author guidelines
- Structure of a research article
- IMRAD Figures and tables References
- Tips and tricks

Participants' response to the session

The session was well received by the audience. The participants were very attentive during the 'How to write a manuscript for publication' presentation. There was active participation during the question-and-answer session. The entire session was recorded for future reference.

WEBINAR SCREENSHOTS

EVENT SUMMARY – Writing a Manuscript

An online webinar on ‘WRITING A MANUSCRIPT’ was conducted by Research committee, Sri Ramakrishna Dental College and Hospital on 6th September 2022. Dr. Poornima.R from department of Periodontics presented the lecture. A general review of the programme is summarized herewith. All most 90% of the participants stated that the programme was useful to them and graded the quality of speaker to be excellent. 95% of the participants stated that effectiveness of presentation method used like PPT was excellent and the subject of discussion was very useful to them. Majority of participants gave an overall opinion about the program to be excellent. Participants stated that the information presented in the program will help them in preparing manuscript in more predictable and effective way, how to choose proper journal for publication, how to use new search engine while writing a paper, etc. Suggestions obtained for further seminar /workshop included topics like lecture on CBCT, how to write systematic review and meta-Analysis, Plagiarism checking, how to use referencing tools, statistics etc.

PROGRAMME REPORT

DATE: 21.07.2022

DEPARTMENT:

TITLE: Tobacco Cessation Clinic Forum

DURATION: 2.00 PM - 4.00 PM

NUMBER OF PARTICIPANTS: 40 (40)

HOW THEY ARE BENEFITED

- To create awareness among staff members about the need for tobacco cessation in dental settings
- To create awareness about patient selection and protocols followed in TCC

OBJECTIVE:

A Faculty Development program was organized by the Department of Public Health Dentistry, (PHDC) on the topic of Tobacco Cessation Clinic (TCC) Forum. The staff were made aware of the aims and objectives of the TCC, given insights into the various behaviour counselling methods and how dental professionals can play a role in helping patients quit tobacco. A demonstration on the usage of Carboxy Monoxide Monitor was also given during the program. The CDE program was awarded 1 point by Tamil Nadu Dental Council.

Program Schedule:

Date & Time	Topic	Staff	Beneficiaries
21.07.2022 2.00 PM - 3.20 PM	Impact of Tobacco on Dental Treatment Outcomes & Role of Dental Health Professionals in Tobacco Cessation	Dr. Jagriti P	Staff Members
21.07.2022 3.20 PM - 4.00 PM	TCC patient registration, performance & Carboxy Monoxide monitor	Dr. Arun K Jeyaseelan
