#### 1. This lecture met the program objectives

## 2. Expertise of the Speaker

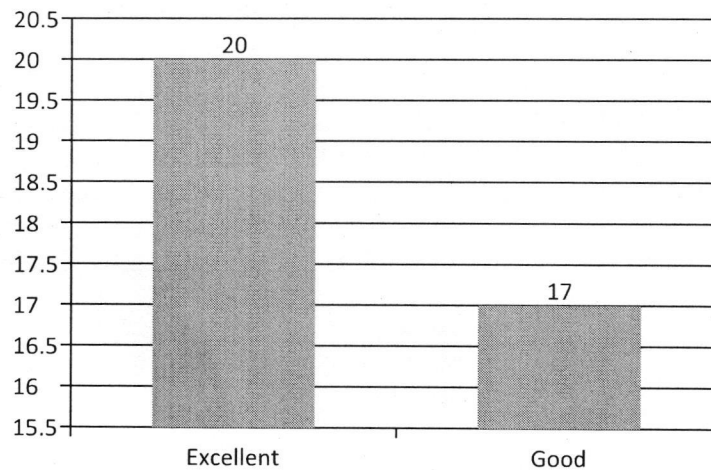

## 3. The Content of the Presentation was relevant and easy to understand

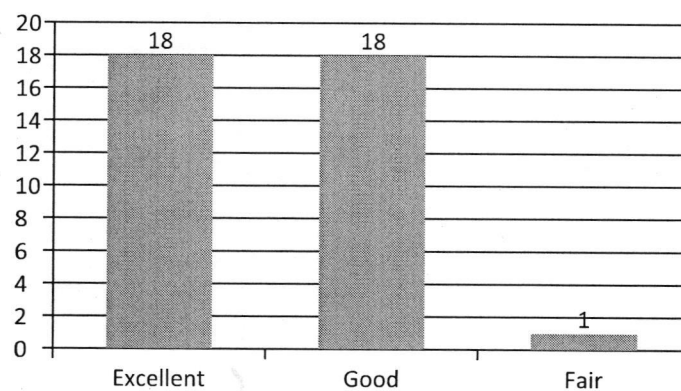

#### 4. Practical Implication of the topic presented

#### 5. Over all impression of the program

#### 6. The material presented will be incorporated in my practice/academics in following way

Yeah	Practical
Will use it.	Esthetics
Will definitely apply it in the next composite restoration that I am going to do. Ensure enough enamel etching and ensuring peripheral seal.	Will be able to use advanced materials and technique
I'll make use of the materials presented today	Esthetic dentistry
By getting to know about it	To create awareness among the patients
Will implicate the updated ideas and materials in my practice	As wondered by biodentin implications will surely incorporate in
During restorative procedure we will use newer products for better prognosis	For sure
During restorative procedures	Better restoration

Clinical practice.	Yes for sure
By practising the minimally invasive technique	Sure
By providing minimally invasive treatment	By learning more about the concepts

<b>7.Suggestion for improvement of program</b>	
It was good	Make more programs
More interactive sessions workshops	Nothing
Good so for	Nil
Nothing ,its good	Great going
Conduct more such programs	Nil
Conduct more such programs	Good
Morning session programs	More occasionsnly conducting the program like this
