

## **SRI RAMAKRISHNA DENTAL COLLEGE & HOSPITAL**

(Educational Service : SNR Sons Charitable Trust)

Affiliated to the Tamilnadu Dr. M.G.R. Medical University, Chennai,  
Recognised by Dental Council of India, New Delhi

### **2.5.3 Reforms in the process and procedure in the conduct of evaluation/examination**

#### University examination Reforms:

- TN Dr.M.G.R. Medical University exam systems, processes, and procedures are secure, robust, and transparent and ICT enabled in SRDCH.
- University exam applications are sent through the internet and students fill it up and send the application with exam fees through RTGS or online money transfer.
- After application processes are verified, internal assessment and attendance percentage for all the subjects are entered through University website login with authentic credentials.
- The university hall tickets are sent to the eligible candidates through an internet sequel.
- On the day of university examination question paper is downloaded from university website 15 minutes before the start of exams.
- The examination hall is under continuous CCTV surveillance and video coverage of the examinations is done.
- All answer scripts are evaluated by the university through neutral examiners online/offline. Results are declared on the university website. Students can also see their results and marks through the university app with their register number and password.

#### Continuous Internal Assessment Reforms:

SRDCH conducts 3 Continuous Internal Assessment, one at the end of each term during the academic year.

- The examination hall is under continuous CCTV surveillance and video coverage of the examinations is done.
- On the day of the exams, the question paper is distributed to students by designated invigilators for invigilation and supervision.
- The answer sheets are collected and sent to specific departments. The answer sheets are evaluated and assessed and the marks are displayed on the notice board/ discussed with students.
- Practical exams and viva are conducted as per the norms and marks are evaluated for the practical examinations and viva and displayed on the notice board/ discussed with students
- In addition to the practical/ clinical examination which is work place based and competency based assessment, OSCE/OSPE are also conducted in the departments to assess the students' skill and competency.
