2.3.3 Webpage describing the "LMS/ Academic Management System"

Institution LMS Portal: <u>https://cims.mastersofterp.in/</u>

Learning Management System: Mastersoft: Portal for management of the academic sessions. Faculty and students access their relevant academic courses and details from anywhere, at any time (public lpcloud).

Teaching plan and lecture notes are uploaded on Learning management system (LMS) by the faculty using their login id. Students can access the teaching plan and lectures with their institutional login id.

It is also used to conduct online exams and administer remedial test. Students can submit their assignments through LMS.

Records of Teaching-learning and study material and updates on student performance are documented and is readily accessible on the LMS. Thus, LMS is a trusted platform for online learning activities, assessment and evaluation.
