From,

Department of Orthodontics,

Sri Ramakrishna Dental College and Hospital,

Coimbatore.

To,

The Principal,

Sri Ramakrishna Dental College and Hospital,

Coimbatore.

Respected Sir,

Sub: Proposal for "Digital Orthodontics" Program

On behalf of Department of Orthodontics, we would like to organize a Program titled "Digital orthodontics" which aims at helping Undergraduate students to bring about more knowledge and understanding the concept of digital orthodontics. This program would include Lectures, workshops, and E-posters for undergraduate students from various colleges across the country.

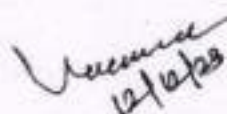

Thanks and regards,

Department of Orthodontics.

SRDCH PROGRAM PROPOSAL FORM

GENERAL DETAILS

Title of the program: Digital Orthodontics

Scope of the program: Digital Orthodontics for undergraduate students

Course objectives:

- o Teaching students on recent advances in orthodontics
- o Hands-on demo of intraoral scanners
- o Lectures on concepts of Digital diagnosis
- o Digital analysis and Modelling
- o 3D printing

Target audience: Undergraduate students, Interns

Prerequisites for enrollment: Pre-Registration form

Number of intended participants per training/program:

Course team:

Dr. Chandrasekar
Dr. Fayyaz Ahamed
Dr. Afrose Kanna
Dr. Indra Annamalai
Dr. Aravinthraj Kumar Govindaraj
Dr. Indra Priyadarshini
Dr. Usha Nandhini

Instructors:

Dr. Fayyaz Ahamed
Dr. Afrose Kanna
Dr. Aravinthraj Kumar Govindaraj

Department: Department of Orthodontics

Experiential certification course

DETAILS OF PROGRAM

Course duration: 1 day

Total hours: 8 hours

Proposed dates: January 17-19

Format of course: Hands-on course

**SRI RAMAKRISHNA

INTRAORAL 3D SCANNERS

SRI RAMAKRISHNA
DENTAL COLLEGE & HOSPITAL

PROGRAMME SUMMARY/REPORT

DATE: 30.1.2024, 31.1.2024 & 1.2.2024

OCCASION: Demonstration for scanners

TITLE: 3D INTRAORAL SCANNERS (ITERO & TRIOS 3SHAPE)

DURATION: From 2PM to 4PM

NUMBER OF PARTICIPANTS/Beneficiaries: 50 (each batch)

HOW THEY ARE BENEFITTING

DETAILS: With an aim of introducing digital technology to the undergraduate students, a demonstration and a hands on program on intraoral scanner was organised. It serves as an excellent beneficial tool for impression making and design of prosthesis in their routine clinical practice. The demonstration of intraoral scanner was given by Dr. P. Anubhav from the Department of Conservative Dentistry. This demonstration included two types of 3D intraoral scanners of Itero and Trios 3Shape. The feedback was received from the students on the end of the program, and the hands on program was extremely useful.

FEEDBACK REPORT

The program was well received by the students. 23 students had attended the demonstration and hands given by the trainer from the Department of Conservative dentistry. The students were happy with the program was organized. They had unanimously responded that they were able to understand the concepts and usage of intraoral scanner. They rated the program as an excellent program.

The program was very good and was very helpful.

Agree

Strongly agree

The technique were well explained and easy to follow.

Agree

Strongly agree

The demonstration of the procedure in the workshop was clear and will be helpful in the clinical practice.

Presentation in Clinical Society Meeting

Programme Report

Department: Conservative Dentistry and Endodontics

Date: 25.10.2024

Time: 3.00pm to 4.00 pm

Venue: Conference Hall of Sri Ramakrishna Dental College and Hospital

Presenter: Dr. Subha Anirudhan, Professor, Department of Conservative Dentistry and Endodontics

Topic: Photographic Feedback and Self-evaluation to assess Improvement in Ergonomic Scores in Dental students

Attendees: Interns, Post graduates and faculties

Content of the session:

Dr. Subha Anirudhan highlighted the importance of ergonomics in dental practice and stressed the importance of introducing ergonomic habits among dental students early on in their training. She presented the findings of the study conducted among pre-clinical conservative dentistry, 2nd year BDS students about ergonomic practices. The study found that students who received photographic feedback and self-evaluated their ergonomic posture during cavity preparation had better ergonomic scores at 4 weeks and one year than students who received ergonomic training but did not receive photographic feedback.

Participants' response to the session

The session received a good response from the audience. The participants were very attentive during the presentation about ergonomics and reinforcement of ergonomic principles among students. There was an overwhelming response and active participation during the question-and-answer session.

Number of participants: 49

**WORLD ORAL HEALTH DAY
PROGRAMME REPORT**

DATE: 20th to 23rd MARCH 2024.

TIME: DENTAL AWARENESS PROGRAMME AND FLASH MOB AT
GANDHIPURAM BUS STAND - 10.30 to 11.30 AM.

ORAL HEALTH DAY PROGRAMME AND PRIZE DISTRIBUTION - 3.00 to 4.00 PM

NUMBER OF PARTICIPANTS:

- PUBLIC AWARENESS PROGRAMME 25 (10 pgs and 15 CRI)
- ORAL HEALTH DAY CELEBRATION 92 (27 STAFFS & 55 STUDENTS)
- DENTAL CAMP AT SRI RAMAKRISHNA COLLEGE OF ARTS AND SCIENCE FOR WOMEN -231
- DENTAL CAMP AT ATTHIPALAYAM VILLAGE - 40

PROGRAM DETAIL:

The Department of Periodontics and Department of Public Health Dentistry celebrated World Oral Health Day from 20th to 23rd March 2024.

On 20th March 2024, in the morning session The CRI and the PGs of Department of Periodontics conducted a flash mob and Skit to create awareness among the general public about Oral Health hygiene and its importance at Gandhipuram Town Bus stand.

The Programme was inaugurated by Mr.Shivanu SI, Kattur Police Station. This was followed by Flash Mob and Skit performed by CRI and PGs of department of Periodontics. They also distributed pamphlets about proper brushing technique and also demonstrated brushing techniques using models. Dr.L. Deepanandan MDS Principal SRDCH and Dr.J.Srihari MDS , HOD Dept. of Periodontics and Dr.Arun Simon MDS, HOD Dept of Public Health Dentistry participated in the event. Dr.L. Deepanandan MDS Principal SRDCH then felicitated Mr.Shivanu SI, Kattur Police Station for helping us to organise the awareness programme.

In the afternoon session World Oral Health Day programme was conducted at the conference hall. Dr Poornima MDS gave the introductory speech about the importance of Oral Health Day. The Department of Periodontics conducted Reel competition for the CRI and PGs on the topic "SAY NO TO BLEEDING GUMS" and all the reels were played and the winners were selected and given certificates.

Dr.J.Srihari MDS, HOD Dept. of Periodontics gave the Vote of Thanks. The event was attended by both Teaching staff and Students of the institution.

On 21st March 2024, The Department of Public Health Dentistry, Sri Ramakrishna Dental College & Hospital, Coimbatore participated in the dental screening camp at Sri Ramakrishna College of Arts and Science for Women organized by the Health and Wellness Club, SRCW from 9.00 am to 3.00 pm. The dental team organized a role play depicting the importance of oral health. The students were also educated about oral health with the help of handmade charts. The dental team was able to screen 231 students in the camp. Referral cards were given and the students were encouraged to get their oral problems treated at Sri Ramakrishna Dental College.

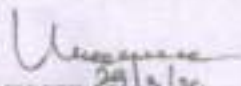

On 23rd March 2024 The Department of Public Health Dentistry, SRDCH participated in the dental treatment camp at Atthipalayam village organized by Sri Ramakrishna Mission Vidyalaya, Periyanaickenpalayam. The dental team was able to screen and treat 40 patients. Oral health awareness sessions were also conducted. All the patients were given referral cards and were motivated to avail further treatment and care at Sri Ramakrishna Dental College Coimbatore.
