(Educational Service : SNR Sons Charitable Trust)

Affiliated to the Tamilnadu Dr. M.G.R. Medical University, Chennai,
Recognised by Dental Council of India, New Delhi

Sl. No	Topics	Discussion and recommendations
1	LMS Software	<p>New LMS software will be implemented for the academic year as the old LMS software support was not provided.</p> <p>The departments need to coordinate with the IT department in submitting their Lesson plans and required materials like PPT, Power points, Assignments, MCQ's and Links.</p>
2	Teaching & Learning Pattern	<p>Undergraduate program will be rescheduled with coordinators appointed to develop and implement teaching and learning processes according to the clinic system. The current clinical system and teaching pattern are not producing synergistic effects and students are feeling difficult to adapt.</p> <p>The postgraduate program needs to follow the description of the regulations as there are gaps in their training and learning process. The identified gaps by departments have to be filled and assistance will be provided by administration.</p>
3	Complete change of Clinical system	<p>As the clinical training is comprehensive the students need to be trained to focus on the outcome and the departments need to redesign their teaching process</p>
4	Programs	<p>To propose annual budget on programs to be conducted by the departments and committees in the prescribed format.</p>

Minutes of Meeting

05.06.2024

The following points were discussed at the principal – HOD/ All Faculties meeting on 05.06.2024.

Venue: Auditorium

Time: 08:30 A.M – 09:30 A.M

Participants: All Faculties

Chairperson: Dr. L. Deepanandan

S.No	TOPIC	DISCUSSION AND RECOMMENDATIONS
1.	Timings	It has been notified that faculties are reporting late to clinics/ departments/ biometric. The management has given a lenience period of 30 minutes for the morning biometric attendance 8:00 A.M – 4:00 P.M working hours. Faculties have to report by 8:30 A.M. Even after repeated circulars, many faculties are reporting late to college.
2.	Work	All the faculties to report to their respective clinics/ department on time. Many of the times the faculties are not present in their respective clinics during peak clinical hours to show the work/ procedure which has been concern of students during appraisal. The faculties are advised to be in clinic and be a role model for the students maintaining discipline.

Recognised by Dental Council of India, New Delhi

3.	Procedural Incentives	<p>To increase the advanced patient procedures, which are delayed due to academic clinics/ PG departments student work, not following the OPD procedure duration protocols prescribed few months ago. As there has been delayed appointments and drop off of patients, and motivate the faculties to do more advanced procedures, the management has agreed to give a proposal for the procedural incentives. The HOD's and faculties are requested to give the details of the patient requisites of the department and proposal of charges, for the same, at the earliest to present to the management next week.</p>
