RAJAS DENTAL COLLEGE AND HOSPITAL.**

**RESOURCE PERSON- INSPECTION/EXAMINER/ PANELLIST /INVITED
SPEAKER/ PAPER SETTING**

Seminar of continuing dental education -2

IAOMP- XIX National and first international conference

DCI- Diamond jubilee celebrations-2010

IX National P.G. Convention of IAOMP

Advanced head & neck imaging CDE program at D.A.P.M.R.V.D.C, Bangalore, 2013

Examiner panel in TNDRMGR medical university, Manipal, Vinayaka mission, Rajiv Gandhi University, Sri Ramachandra University, Kerala university of Health sciences

Inspector panel –DCI &TNDRMGR medical university

Judge for Scientific Paper presentations –Indian Association of oral pathologists 2021

Chairperson for scientific presentation –IAOMP,Belgum 2023

Guest speaker on ODONTOGENIC TUMORS in Anoor Dental college 2023

Chairperson for scientific presentation’s-ISDR Kanyakumari 2024

Chairperson for Scientific presentations-IAOMP Kodaikanal-2024

Judge for scientific presentations - MID YEAR PFA NATIONAL CONVENTION 2025, Vinayaga mission Dental College, Salem.

Curriculum Revamp committee of IAOMP workshop in Kolkata August 2025

GUIDE:

MDS Guide for Oral pathology thesis, Tamilnadu Dr.MGR Medical University.

Phd Guide, Saveetha University.

Phd guide, Annamalai University.

Phd Guide, Bharath University.

PhD. Guide Meenakshi Academy of Higher education and research.

MDS Dissertation topics Guided

Comparative evaluation of localized and systemic genotoxicity using micro nuclei assay in tobacco chewers - A retrospective cohort study

Immunohistochemical evaluation of cyclin -D1 and matrix metalloproteinase-9 in oral squamous cell carcinoma - A case control study

comparative evaluation of GLUT-1 and Ki -67 in various grades of oral epithelial dysplasia: an Immunohistochemical study

Effect of Apigenin in Freund's complete adjuvant induced temporomandibular joint arthritis in wistar albino male rats.

Thesis Topic: Quantification of freshly extracted teeth mitochondrial DNA in coronal dentin and apical cementum-A comparative Study

Ph.D Thesis Topics Guided

Comparative study to evaluate the effect of Different Decalcifying Agents on Deciduous and Permanent Human Tooth.

Autofluorescence Spectroscopy and Evaluation of DNA damage by using Single cell Gel Electrophoresis (Comet Assay) in Smokers.

Assessing diagnostic accuracy and predictive values of HPV 16 and circulating tumor cells in saliva compared to blood by dentist to identify HPV among participants susceptible to Oral Squamous cell carcinoma in Tamilnadu

Post-Doctoral Research projects guided

Novel IgY based oral formulation for the control of Dental carries and Oral candidiasis.
